Rasmusson Spring Barley

Genetic and Agronomic Information
Rasmusson is a short six-rowed spring variety with good lodging, medium maturity and an excellent disease package. Rasmusson has very high grain yields.

Marketing Information
Rasmusson is protected under the Plant Variety Protection Act - Title V. Seed of this variety can only be sold by variety name as a class of certified seed. A research assessment will be assessed on each unit sold. For more information or a list of producers, please contact your local seed dealer or the MCIA office at:
